ASSET MANAGER PRI SIGNATORIES

At Phoenix Life, we offer a choice of a range of funds to our customers. This includes funds managed by external fund managers, referred to as External Fund Links (EFL).

On behalf of our customers, we track whether these fund managers are signatories to the United Nations-supported Principles for Responsible Investment (PRI) and invite them to sign up to the initiative if not.

What is the PRI?

The PRI initiative "works to understand the investment implications of environmental, social and governance factors" and to help ensure these factors are incorporated into investment and ownership decisions by institutional investors and service providers.

In 2023, the EFLs managers below have confirmed that they are signatories to the PRI.
